Undergraduate Degree Program
Program - CNHS Nursing SLO (BSN)

Mission Statement
The mission of the FIU Nursing department is to teach, conduct research, and serve the community. Our department aligns with the Nicole Wertheim College of Nursing & Health Sciences’ mission to prepare diverse healthcare professionals as providers and leaders in the delivery of high quality, accessible, culturally competent care within a highly technological and global environment. The college promotes, expands and validates scientific knowledge and evidence-based practice through interdisciplinary research.

Nursing

Outcomes
FIU graduates should be able to achieve the following:

<table>
<thead>
<tr>
<th>Content Knowledge and Skills (including Technology)</th>
<th>Direct Measures</th>
</tr>
</thead>
<tbody>
<tr>
<td>Evidence-Based Practices</td>
<td>Procedure:</td>
</tr>
</tbody>
</table>
| Graduates will be able to identify and utilize high-quality, credible, and relevant evidence-based practices to develop ideas that are appropriate to nursing. | Assessment Instrument: Rubric

Course Assessed: NUR 4945L  
Sampling: At least 10 students or 10%, whichever is greater  
Minimum Criteria for Success: Students will score at least 9 points. |

<table>
<thead>
<tr>
<th>Critical Thinking</th>
<th>Procedure:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Assumptions</td>
<td>Direct Measures</td>
</tr>
</tbody>
</table>
| Graduates will be able to analyze and synthesize assumptions and carefully evaluate the relevance of contexts when presenting a position. | Assessment Instrument: Rubric  
Assessment Method: Students will complete an Evidence-Based Practice project. A 5-point (20-point max) holistic rubric will be used to assess students' critical thinking skills.  
Course Assessed: NUR 4945L  
Sampling: At least 10 students or 10%, whichever is greater  
Minimum Criteria for Success: Students will score at least 12 points |

<table>
<thead>
<tr>
<th>Communication (Oral or Written)</th>
<th>Procedure:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Organization, Conventions, Syntax, &amp; Mechanics</td>
<td>Direct Measures</td>
</tr>
</tbody>
</table>
| Graduates will be able to communicate, in writing, within the field of nursing using appropriate organization, conventions, syntax and mechanics. | Assessment Instrument: Rubric  
Assessment Method: Students will complete an Evidence-Based Practice project. A 5-point (20-point max) rubric will be used to assess students' oral communication skills.  
Course Assessed: NUR 4945L  
Sampling: At least 10 students or 10%, whichever is greater  
Minimum Criteria for Success: Students will score at least 12 points |

<table>
<thead>
<tr>
<th>Language, Delivery, Supporting Material, and Central Message</th>
<th>Procedure:</th>
</tr>
</thead>
</table>
| Graduates will be able to conduct oral presentations within the field of using appropriate organization, language, delivery techniques, supporting material, and a compelling central | Assessment Instrument: Rubric  
Assessment Method: Students will complete an Evidence-Based Practice project. A 5-point (25-point max) rubric will be used to assess students' oral communication skills.  
Course Assessed: NUR 4945L  
Sampling: At least 10 students or 10%, whichever is greater |
Minimum Criteria for Success: Students will score at least 15 points.
